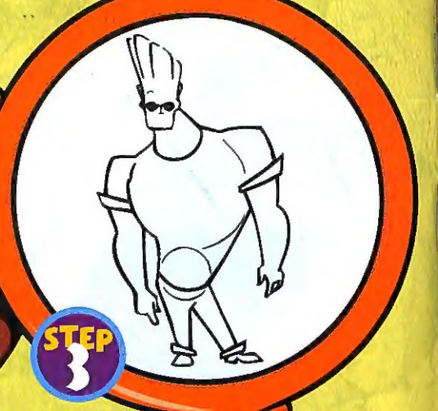
HOW TO DRAW JOHNNY BRAVO™

STEP 1

You can split Johnny's body into simple geometric shapes. A big circle for his body, a tiny one for his hips and a variety of triangles.

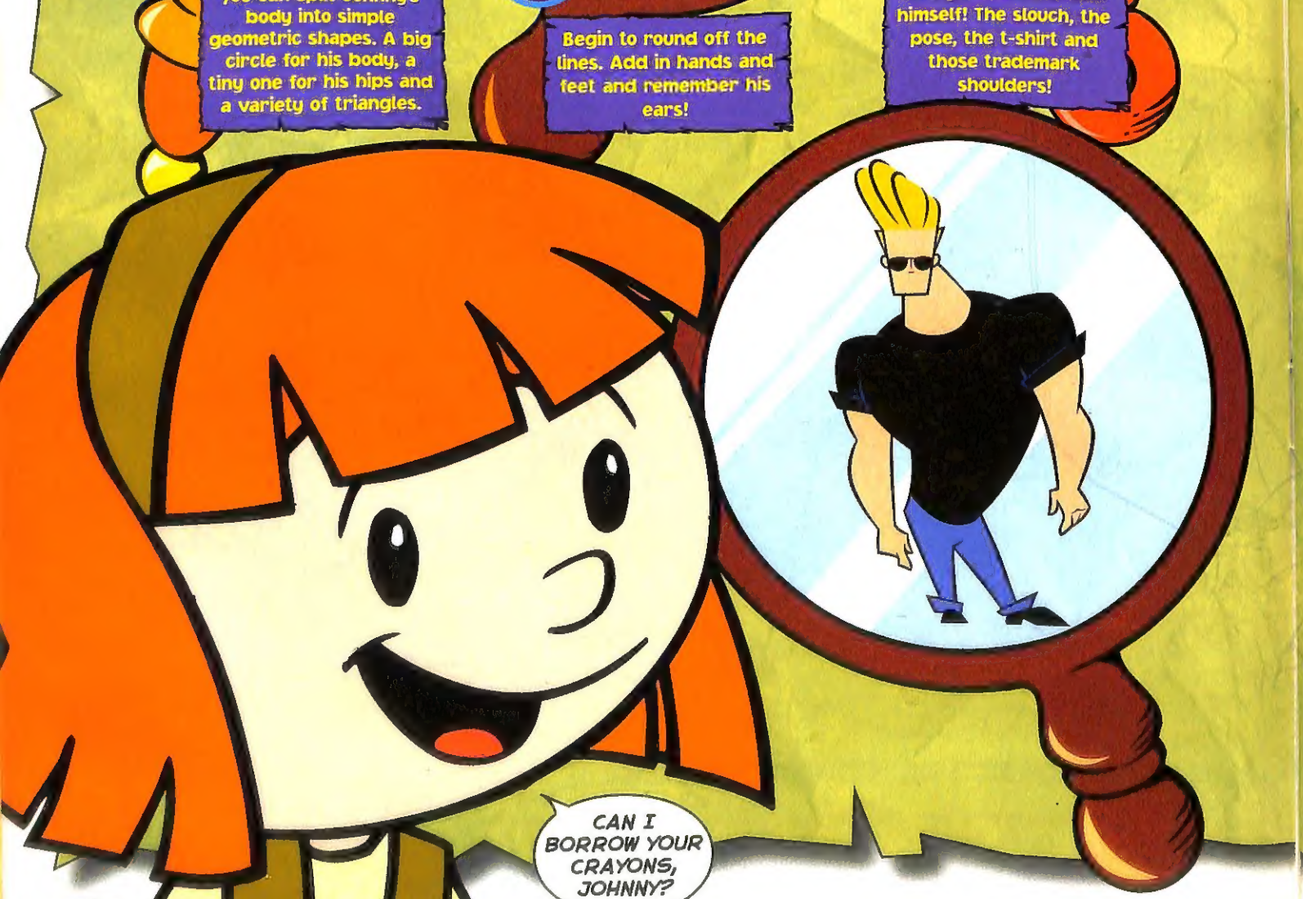
STEP 2

Begin to round off the lines. Add in hands and feet and remember his ears!



STEP 3

Now you have the man himself! The slouch, the pose, the t-shirt and those trademark shoulders!



POSES:

Johnny's poses show you how he's, er, posing. Why don't you try drawing these poses?

HOT TIPS

1. Always sharpen your pencil first.
2. Don't draw on your mama's romance novel – she won't like it!
3. Fill the page – Johnny's always larger than life!
4. Don't draw with shades on. You look good but all the colours look grey!

How to Make DeeDee's MARSHMALLOW SNOW MAN

Dee Dee's a girl who likes all things sugar and spice, fluffy and nice! You can't get much fluffier than marshmallows! Here's how to make a marshmallow man, the Dee Dee way.

You will need: pink and white marshmallows, some big and some little, cocktail sticks, a grown-up to help.

1 First, to make his body, skewer a big marshmallow onto each end of a cocktail stick.

2 Then push a marshmallow onto one end of a stick. Do this with five cocktail sticks.

3 Now, take the end of the stick that doesn't have a marshmallow on it. Push this end into the body to make legs and arms, and one into the top of the body to make a head.

4 Lastly, using a little bit of cocktail stick, (this is where the grown-ups make themselves useful), skewer two small marshmallows onto two sticks and push them into the head to make eyes.
